NATA update:

The session will be Thursday march 27, 03 at Marriott Hotel from 12:30-5 p.m.

Roundtable:

Rebecca: Site visit, Sheri for the Mar's Planetary for EPO, Tour with the PI's during breakfast (Thursday) meeting, EC meeting on Friday.

Julie: Working on K-4 poster, Origins forum committee reviewing the poster.

Catherine: K-4 team Education & Public Outreach, will there be funding for this? (there is no set aside funding for this but NAI will review this.)

Jackie: Carl Allen and eleven others going to Antarctica and bring back samples.
December 9-16 schools getting connected to see what they discover.

Kay: Professional Development, Pre-service Professional Development, and In-service Professional Development. How much knowledge we know on National & State. What

is your knowledge on National and State and Pre-service teachers and In-service teachers? Where should we spend are time, money and energy?

Lorriane: Teachers work-shop next week for 20 teachers, Micro*Scope and Astrobiology.

Krisstina: Disconnected with PI and EPO. Talking about having EPO included in the EC meeting at the NAI General Meeting. Large EPO project involving all teams. Town Hall meeting.
